- The Learning Agreement has to be sent to the academic coordinator for its approval online via RELINT.
- There will be a compulsory meeting at the beginning of every semester where the process and the policy of enrolment at the Faculty of Humanities will be explained.

Changes in the Learning Agreement:
(Period of 30 days after classes have started)

Once classes have started, students have 30 days to make changes to the subjects enrolled in.

How to proceed:

1. Contact academic coordinator UIC
2. If academic coordinator UIC approves changes, contact academic coordinator Home University
