

## Requisits específics

- To not have enrolled on any subject for the 3rd time.
- To have passed all subjects in the academic year preceding the mobility placement. If the student fails a subject during the process of applying for the mobility placements, the Faculty will decide whether they may continue with their application or not.
- It is possible to study some of the subjects abroad.
- Placement in an English-speaking country: **B2**.
- Preference will be given to students enrolled on a bilingual degree programme, to carry out their placement during the 2nd semester in the UK, Ireland or Finland, followed by those enrolled on English degree programmes, and then the rest. (In the event of a tie or more applications than spaces/grants, the Faculty will examine the merits of each student).
- Criteria for assigning placements:
  - ✓ Academic transcript
  - ✓ Number of places available
  - ✓ Other (academic merit, suitability of the destination, language level, etc.)
