GENERAL INFORMATION

| | |
|--|---|
| Welcome session* | SEMESTER 2: during second week of January |
| Courses | |
| SEMESTER 2 | January – May |
| Second semester exams | Last two weeks of May |
| Exam retakes (first and second semester) | Last two weeks of June |

Deadlines to submit the on-line application and send required documents by email*
SEMESTER 2: 15th of November

The student has to register on our on-line registration platform called RELINT: <http://www.uic.es/relint2/> and pick the subjects provided by the Faculty of Architecture.

Learning Agreement

The Learning Agreement has to be sent to the academic coordinator for its approval via RELINT. There will be a compulsory meeting at the beginning of the semester where the process and the policy of enrolment at the School of Architecture will be explained.

Changes in the Learning Agreement:
(Period of 20 days after classes have started)

Once classes have started, students have 20 days to make changes to the subjects enrolled in.

How to proceed:

1. Contact academic coordinator UIC
2. If academic coordinator UIC approves changes, contact academic coordinator Home University
3. If academic coordinator Home University

approves changes, introduce your changes in RELINT platform.

After 30 days, no further changes will be accepted either to the Learning Agreement or the enrolment form.

Other regulations

Examinations

UIC's policy states that if two exams overlap the student should inform the professors and the professor from the higher course should change the date.

Requests and complaints

Through the Architecture Coordinator

Are visiting students allowed?

Yes

Doctorate and PhD:

No

Does the faculty allow the student to do a work placement?

No

Course Language

Required Spanish level

B2 Certificate in Spanish

Required English level

B2 Certificate in English

Certificates

A language certificate (EILTS or DELE) and/or a certificate from the Home University are required.

SUBJECTS - LEARNING AGREEMENT

Direct link to subjects on the website

<http://www.uic.es/en/studies-uic/esarq/degree-in-architecture#!en/uiccontent/nojs/22558/o>

Maximum and minimum credits per semester

It is recommended to take 3 or 4 subjects per semester.

Attendance

Compulsory

Overlapping

Not allowed

Are students allowed to take subjects in other faculties?

Yes, if there are no overlapping
