English C1 Exam Preparation Workshop

Main language of instruction: English

Course tutor: Doris Stanger

Teachers: Staff of the Institute for Multilingualism

Presentation

This is a 10-hour, on-site C1 exam preparation workshop that includes an official exam through which students can certify a C1 level of English under the Common European Framework of Reference for Languages (CEFR). It is a workshop style class with an emphasis on exam taking skills and feedback based on the practice exams done in class.

Pre-course requirements

Students need to have a high C1 level as the workshop focuses exclusively on exam taking skills.

Objectives

To be able to successfully pass an official C1 level exam and earn a C1 certificate in language competency in English, under the CEFR.

Syllabus

Mock practice exams

Evaluation systems and criteria

There is no evaluation. There is continuous feedback based on the results of the mock practice exams.

The exam, including the speaking test, must be taken on the official day(s) that will be established in the beginning of the course. There will be no second sitting.

The exam will take place at UB Escola d'Idiomes Moderns.

Bibliography and resources:

Practice exam materials provided by the teacher.
