

CLUC_EMI Exam – 6-hour Preparation Course

Introduction

This is a preparation course for the CLUC-EMI for non-native English speakers who are teaching in English.

The course consists of an explanation and overview of the contents of the exam, what is expected from the test takers and the evaluation system. It will include speaking and writing exam practice.

Objectives

The objective of the course is to be sure that the candidates are aware of the prerequisites needed to successfully pass the exam and have an opportunity to practice the necessary skills.

Course Overview

The course consists of detailed instruction regarding the five areas of the speaking portion of the exam as well as the two types of written texts. The course includes exam examples, advice on good exam practices and practice exercises of the speaking and writing with feedback from the teacher.

The self-study portion of the exam preparation material is introduced.

Course Program

Days	Skills practiced
Day 1	Speaking – exam overview, good practice tips and hands on practice of the five parts of the speaking exam.
Day 2	Writing – exam overview, good practice tips and hand on practice of the two types of writing that will be tested
Day 3	A full practice exam under exam conditions with feedback.

Resources

The open Moodle page called 'Open Space for Teachers Who Lecture in English'.
