

LIFELONG LEARNING MASTER'S DEGREE IN
**Cooperation, Development
and Social Economy**

Would you like to unite your passion with your profession? Do you want to dedicate your talent and energy to building a more humane, fair and sustainable world? Is it possible to harmonise economic and social value in business? What are the keys to creating a social initiative with a lasting impact?

In this master's degree you will understand the fundamentals of human development and how different cooperation and social economy businesses work. **You will acquire the necessary management, financial and organisational tools** to lead non-profit entities or to develop transformative projects in your current professional field.

Reasons to study this Master at UIC Barcelona:

1. Barcelona.

Barcelona is a global hub of social initiative. You will learn from the best professionals in cooperation, development and social economy.

2. Unite passion and profession.

You will gain the skills to work on your passion: building a more humane, just and sustainable world.

3. Effective social impact.

We will provide you with comprehensive training to lead a community transformation initiative with the rigour of the best multinational organisation.

4. Double pathway.

Choose the pathway that best suits your interests: International Cooperation pathway or Management of Social Impact Organisations.

5. Global perspective.

We will show you the full range of possibilities that exist in the field of cooperation and the social economy.

6. Practical approach.

Excellent work experience options in the best companies in the sector.
