“At UIC Barcelona, unlike other universities, the focus is on practice, not on theory. That’s what helped me the most in my learning: a methodology based on clinical cases, teamwork, and many hours in work placements, both clinical and at the Centre for Advanced Simulation.”

AIDA JIMÉNEZ

Student
on the
Bachelor’s
Degree in
Medicine

At UIC Barcelona, our medicine is focused on the patient. We help you acquire a broad scientific knowledge base and teach you to support any patient you see through the healthcare system.

Our curriculum is fully recognised by the European Higher Education Area. We promote teaching using innovative and interdisciplinary methodologies by specialists in the field of the health. So you actively develop the scientific and human competences that the society of the future needs.

By studying the Bachelor's Degree in Medicine, you will be in contact with patients from day one. As a student, you are at the centre of our mission and you will be involved in all decisions regarding the degree programme.

PROSPECTIVE STUDENTS

If you have a vocational attitude and are committed to society through science and health, this is the degree programme for you.

We encourage human values and highly value service orientation and person-centred care.

We rely on critical thinking, clinical reasoning, human sensitivity, interpersonal skills and teamwork.

FACILITIES

You will study on our Sant Cugat Campus, part of the **Hospital Universitari General de Catalunya**, and use the facilities at our Comprehensive Centre for Advanced Simulation, spanning more than 1,000 m², including an outpatient area, a home care area, a surgical area, a specialised area, and another hospital area with 16 beds.

You'll also have access to training, debriefing and image control rooms with video recording facilities in all areas.

You can access the anatomy unit, with three dissection rooms, an osteology collection and the biochemistry laboratory.

WORK PLACEMENTS

You will be in contact with patients from year one thanks to more than 2,200 hours of clinical work experience that form part of the degree programme. You will undertake international work placements through our exchange programmes and Erasmus agreements. We have a one-to-one student-teacher ratio. We have work placement agreements with national and international institutions. These include:

- 4 university centres
- 12 associated centres
- 1 university primary care centre
- 20 primary care associated centres

99% OF OUR STUDENTS EXCEED THE MIR (MEDICAL RESIDENCY TRAINING) CUT-OFF MARK.

THE FACULTY OF MEDICINE WITH THE BEST ACADEMIC PERFORMANCE IN SPAIN*. 97.7% OF OUR STUDENTS PASS ALL THE CREDITS THEY ENROL FOR.

ABOUT UIC BARCELONA

Since 1997, UIC Barcelona has been teaching students based on a philosophy of academic rigour, enriching university life and fulfilling life experiences. Our academic institution is home to more than 9,000 students. We offer sixteen bachelor's degrees, around thirty international double degrees and a wide range of master's and postgraduate degrees and continuing education courses.

We offer personalised support, a comprehensive approach to each student, strong links to the professional world and innovative teaching and research methods. We hold people at the centre of our mission, in both the personal and professional sense, so that each member of our community can reach their full potential.

We strive to promote knowledge, research and knowledge transfer.

We are connected to society and companies through sixteen chairs, five company-sponsored classrooms, five research institutions and three university clinics.

At our institution, we are driven by rigour and a critical spirit; we strive to grow and better ourselves to have a positive impact on society.

THE SEARCH FOR EXCELLENCE IS ROOTED IN OUR DNA, AND EFFORT AND DRIVE FOR SELF-IMPROVEMENT ARE OUR CATALYSTS FOR CHANGE.

This ambition can be found in the people and activities at UIC Barcelona.

UNIVERSITARY LIFE

Experience the best
university experience
at UIC Barcelona.

Studying at UIC Barcelona
involves all-round
personal growth.

We promote solidarity,
culture and sporting values.

STUDENT SERVICES

At Student Services, we facilitate students' integration into the university system.

We will provide you with information about extracurricular activities, grants, your university student card, etc.

If you need accommodation during your time at the university, the Student Service team will guide you on student residences, accommodation and other services, depending on your needs. We are part of the Barcelona Centre Universitari (BCU), the official welcome and guidance service for the students and university teachers and researchers who come to Barcelona. On the BCU's website you will find information about all kinds of accommodation in Barcelona and the surrounding area.

At Student Services, we will try to answer your questions and encourage you to take part in as many activities as possible.

At UIC Barcelona we promote and organise sports activities and competitions, and we provide discounts and special offers to help you access sports facilities to keep you in shape and live healthier lives. We also have the **Sport Talent programme**, so that top-level athletes can combine professional sport with their university studies.

You can take an active part in **#UICSocialDay** a day on which the whole University comes together to help those most in need. You can also form part of theatre, painting and music groups, which foster **the cultural side of UIC Barcelona and help you acquire more skills and values.**

AN INTERNATIONAL EXPERIENCE

UIC Barcelona's international commitment is evident in the very name of our University, and encompasses every single one of our activities. We are open to the world, which is clear from our wide range of international agreements and mobility programmes for students, teaching staff and researchers.

We offer over 30 international double degrees.

At UIC Barcelona, English is the vehicular language on some degree programmes, and you will have to chance to partake in many activities with the international community.

MENTORING AND COACHING

Every undergraduate student at UIC Barcelona has a personal mentor assigned, someone who will help you with your personal and professional development during the whole of your university studies.

When you finish your bachelor's degree you have the option of a coach who will help you manage the end of your studies and help you begin your professional career.

We aim to provide you with many soft skills by the end of your studies.

CHAPLAINCY

The chapel is a place for **reflection, dialogue and gravity**, and it holds activities that are open to the university community as a whole.

ALUMNI AND CAREERS

Alumni are students who have completed a diploma, undergraduate degree, bachelor's degree, postgraduate degree, clinical residency, master's degree or doctorate at UIC Barcelona.

Being a university student is a way of living and seeing life. **Being a UIC Barcelona alumnus means carrying those values with you wherever you go.**

The UIC Barcelona alumni community has more than 27,000 members. Be part of our community.

UIC Barcelona is connected to the needs of society and companies. For that reason, it complements your academic education **with a comprehensive career guidance service** for both students and graduates.

LINGUISTIC SERVICES

At UIC Barcelona we offer language courses, you can study up to 24 languages both on campus and online. You can also certify your language level with official exams, and participate in different multilingual welcome activities.
