Line of research	
<b>I would like to support the candidate and supervise their doctoral thesis for the following reasons:</b>	

Kind regards,

<sup>1</sup> Requirements to be appointed doctoral thesis supervisor or co-supervisor at UIC Barcelona

1. As general requirements, you must:

- Be linked to a university
- Be in possession of a six-year research period or equivalent.
- Under exceptional circumstances:
  - The Academic Doctoral Committee (CAD) may appoint a professional not linked to a university to be supervisor, if they have completed accredited research
  - An emeritus or honorary professor may be appointed.

The Doctoral Programme's CAD will establish a procedure for recognising equivalent research by researchers who cannot apply for a six-year research period.

2. In case of co-supervision, at least one co-supervisor must have at least one six-year research period or equivalent.

3. To ensure correct and satisfactory supervision and excellence in the doctoral student's research, the number of theses that a supervisor can oversee simultaneously is limited to four points. Theses overseen by one supervisor are valued as 1 point, and those overseen between co-supervisors, 0.5 points.

4. In the event that supervisors external to UIC Barcelona are appointed, the CAD must appoint A TUTOR from UIC Barcelona in the following cases:

- In the event of being overseen by a single supervisor, a UIC Barcelona tutor will be appointed
- In the event of co-supervision by two external supervisors, a UIC Barcelona tutor will be appointed
- In the event of co-supervision with a UIC Barcelona lecturer/professor, it will not be necessary to appoint a UIC Barcelona tutor
