

LIFELONG LEARNING MASTER'S DEGREE IN  
**Cooperation, Development  
and Social Economy**

Would you like to unite your passion with your profession? Do you want to dedicate your talent and energy to building a more humane, fair and sustainable world? Is it possible to harmonise economic and social value in business? What are the keys to creating a social initiative with a lasting impact?

In this master's degree you will understand the fundamentals of human development and how different cooperation and social economy businesses work. **You will acquire the necessary management, financial and organisational tools** to lead non-profit entities or to develop transformative projects in your current professional field.

## Reasons to study this Master at UIC Barcelona:

### 1. Barcelona.

Barcelona is a global hub of social initiative. You will learn from the best professionals in cooperation, development and social economy.

### 2. Unite passion and profession.

You will gain the skills to work on your passion: building a more humane, just and sustainable world.

### 3. Effective social impact.

We will provide you with comprehensive training to lead a community transformation initiative with the rigour of the best multinational organisations.

### 4. Comprehensive view of the sector.

The programme includes both the vision of the cooperation for development sector and the tools provided by the social economy.

### 5. Global perspective.

We will show you the full range of possibilities that exist in the field of cooperation and the social economy.

### 6. Practical approach.

Excellent work experience options in the best companies in the sector.
